ABOUT US

PLASTIFAR is a manufacturing company dedicated to the production and commercialization of disposable containers for the food service industry.

For over 30 years, our commitment is to offer a wide array of products that satisfy the different needs and quality standards of our many customers, in line with global market trends and requirements. Our 800+ SKU portfolio is designed to tackle even the most specific needs.

Quality, competitive pricing, excellent customer service, and continuous innovation, are some of the characteristics that define our value proposition as an organization.

CERTIFICACIONES

BASC- Business Alliance for Secure Commerce

Basc Dominicana: BASC is an international trade organization that promotes safe trade throughout the country's supply chain to prevent smuggling, contamination of goods and narcotics through legitimate trade.

OEA

Strengthen supply chain security. Standardize security measures worldwide. Secure trading guarantee.

SOLUTIONS FOR EVERY NEED

PLASTIFAR has an ideal option for all your food service needs. We have the most complete portfolio of disposable containers for storing, transporting, and displaying food.

Our superior quality and variety help you highlight and protect your culinary creations. Perfect for events, catering services, bakery, confectionery, delivery and take-out. Within our product line you will find excellent alternatives for use with any type of food and drinks.

Discover the possibilities of food service, with Plastifar.

OUR BRANDS

Mother brand, which is focused on local and international markets, where we offer the widest portfolio, which includes: Foam products, cutlery, plastic cups and plates, containers, trays, among others.

Brand focused solely on supermarket shelves and retail. Where we have available a portfolio of products that include: Trays, plates and foam cups, cups for drinks, cutlery, plates and plastic cups, among others.

Our i-LOCK® PET containers are an excellent option for protecting and displaying fresh produce. Available in rectangular, triangular and round formats, from 8 to 40oz. They come in three forms: Strong close, Strong close with holes in the lid and Tamper Evident.

Line of Premium cups oriented mostly to the Food Service market and some for retail and shelves space, which offers more resistance and a transparent finish. It has a portfolio that includes PET and PP cups, PET lids, souffé containers

Our PLASTICLEAR® products are an ideal option for storing, transporting, and displaying your desserts and culinary creations. PLASTICLEAR® trays, containers, and showcakes are available with black and clear bases, with hinged and non-hinged lids.

Family of Foam products that guarantee its biodegradation without harming the environment, thanks to biodegradable additive.

Line of compostable products, made from paper pulp, and CO2-neutral raw material. They are ecological and recyclable. An eco-friendly alternative, for the protection of the environment.

i-LOCK

TAMPER EVIDENT 

i-LOCK® Rectangular and Triangular containers with Safety Closure

KEEP IT FRESH AND SECURE!

Our i-LOCK® PET Containers with Tamper Evident Security Lock are an excellent option for protecting and displaying fresh Products, with a closure that ensures that the Product has not been tampered with after packaging, thus increasing consumer confidence in the Product.

These containers are perfect for displaying fresh salads, fruits, nuts, desserts and more in both regular and refrigerated environments.

Opening by tearing the hinge that remains attached to the container, avoiding loose pieces, resulting in better handling of the plastic.
